SUMMARY

MERN Stack Developer with extensive experience in designing, developing, and deploying web applications using the MERN stack (MongoDB, Express, React, Node.js). Adept at creating scalable, responsive, and user-friendly web applications with a strong focus on performance and usability. Proven ability to manage the complete software development lifecycle, from ideation to deployment and maintenance. Passionate about continuous learning and staying updated with industry trends.

WORK EXPERIENCE

MERN Stack Developer, Myquizcode

May 2023 - Present

Designed, developed, and deployed MyQuizCode, an innovative platform combining education with entertainment.

- **Key Achievements:** Developed a robust Contests Management system and implemented UI translation for global reach, significantly enhancing user interaction and satisfaction.
 - **Technologies Used:** React.js, Node.js, Express.js, MongoDB, Tailwind CSS.
-

PROJECTS

Myquizcode

Overview: Developed an innovative online platform that combines education with entertainment, allowing users to participate in various quizzes and contests.

- **Key Features:**
 - **Contests Management System:** Built a dynamic system that allows users to create, participate in, and manage quizzes and contests seamlessly, Socket.IO for real-time updates and notifications during contests, ensuring users stay informed and engaged throughout the event.
 - **UI Translation:** Implemented a multilingual user interface to cater to a global audience, enhancing accessibility and user experience.
 - **Responsive Design:** Ensured the platform is fully responsive, providing an optimal experience across all devices.
 - **Payment Gateway Integration:** Incorporated a secure payment gateway to handle contest entry fees and transactions, ensuring smooth and reliable payment processing.
- **Technologies Used:** React.js, Node.js, Express.js, MongoDB, Socket.IO, Tailwind CSS, Redux, Cron Jobs, CI/CD, Payment Gateway API.

Pathtopeace

Overview: Created an online educational platform offering a comprehensive Islamic course aimed at teaching basic Islamic knowledge, including tajweed and core Muslim beliefs.

- **Key Features:**

- **Course Management System:** Developed a structured course system that allows users to easily navigate through lessons and track their progress.
- **Responsive and Accessible Design:** Focused on accessibility, ensuring the platform is usable by people with varying levels of technical proficiency.
- **Integrated Payment System:** Implemented a secure payment gateway for course enrollment, ensuring smooth and safe transactions.

- **Technologies Used:** React.js, Node.js, Express.js, MongoDB, Tailwind CSS, CI/CD.

BesharamChat

Overview: Developed a real-time chat application designed to connect users with their loved ones through a simple and intuitive interface.

- **Key Features:**

- **Real-Time Messaging:** Integrated WebSocket for real-time communication, ensuring instantaneous message delivery.
- **User Authentication:** Implemented secure login and authentication mechanisms to protect user data.
- **Responsive UI/UX:** Created a user-friendly interface that adapts well to both desktop and mobile devices.

- **Technologies Used:** React.js, Node.js, Express.js, MongoDB, Socket.IO, Tailwind CSS, Redux.
-

EDUCATION

B.Com (External Student) | (Dropped Out)

June 2020 - Dec 2022

- While pursuing B.Com, I discovered my passion for web development and transitioned to a career in technology. My self-directed learning and project experience have equipped me with the skills needed to excel as a MERN Stack Developer.
-

ADDITIONAL INFORMATION

- **Frontend:** HTML, CSS, JavaScript, React.js, Next.js, Tailwind CSS, Figma.
- **Backend:** Node.js, Express.js, RESTful APIs, MongoDB, PostgreSQL, Mongoose, pm2
- **Tools & Platforms:** Git, VS Code, npm, pnpm, nodemon, Netlify, Apache2, Redux
- **Development Practices:** Agile, Test-Driven Development (TDD), Continuous Integration/Continuous Deployment (CI/CD)
- **Soft Skills:** Problem Solving, Team Collaboration, Time Management, Adaptability.
- **Languages:** Hindi, English.
